

ECHO

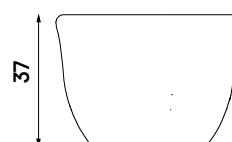

Echo is a multifunctional piece that serves as a coffee table, stool, or planter set. Its design offers flexible use, evolving effortlessly with your changing lifestyle and space needs. What truly distinguishes ECHO is its hand-carved texture, expertly captured through advanced technology, giving it an unmistakable tactile quality that enhances any environment. It's designed to look stunning and perform flawlessly both indoor and outdoor, making it a practical yet stylish addition to any setting.

MODEL

EC6110

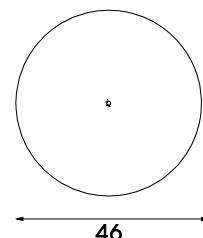

DIMENSIONS

Height - 32 cm
Diameter - 46 cm

MATERIALS

- 100% recyclable polyethylene
- UV stabilizer
- Anti-microbial

DESIGNER

- Jade Huculak

AVAILABLE COLOR VERSIONS POLYETHYLENE					
	Yellow	Green	Brown	Blue	
					
	Beige	White	Gray	Anthracite	

COLOR RECYCLING PROGRAM

LOOPE redefines design - pioneering 100% circular technology to craft thoughtful, timeless, furniture solutions for a better life and a sustainable future.

Technology and material innovation are at the heart of LOOPE, offering endless possibilities. Plastic is often controversial, but our project proves that it can be used responsibly. We manufacture furniture from pre-consumer recycled polyethylene, ready to be recycled repeatedly under controlled conditions. Sourced from fully valuable material left over from the production of planters, kayaks and other large-format elements made in our factory in Poland. This material returns to circulation in the form of durable furniture, instead of ending up as waste.

With full control over the recycling process, we ensure the polyethylene remains uncontaminated and, under controlled conditions, retains its key properties. This exceptional material is resistant to weather, scratches, breaks, and impacts. It's flexible, soft, yet incredibly durable extending the life of each piece.

ADDITIONAL INFORMATION

MAINTENANCE

- Products can be cleaned with warm water and a mild detergent.
- Avoid using harsh cleaning agents that may damage the surface.

TEMPERATURE RESISTANCE

- High-quality polyethylene retains its properties in temperatures ranging from -30°C to +60°C.

WARRANTY

- LOOPE is more than just furniture - it's a thoughtful system that redefines consumption.
- After five years, customers can return their furniture, and we'll transform it into a new product. This way, we extend its life and reduce plastic production. Warranty covers color and shape deformation.
- The color of the furniture may differ slightly from the visualization, which does not constitute a defect in the product and cannot be the basis for a complaint. LOOPE furniture is made of recycled material, thus the inclusions of other colors are normal and do not affect the functional characteristics.
